

## 2011 Fall Children's Fun Fair and Trunk or Treating

Thanks to all who joined us at the Fall Children's Fun Fair on Saturday, October 15th. There were lots of events and fun for all. We would like to thank the Whispering Pines Preschool for joining us and making the morning brighter for all the kids. Donations totalled \$290.83 and vendor setups brought in \$655, making a total of \$945.83 to be donated to the Schoharie Recovery Fund.

Roy Decker of Delanson guessed the closest number of candy corn -- 300 (actual number 291) and wins the candy.

Carly Burke of Voorheesville guess the closest weight of the pumpkin -- 170 pounds (actual weight was 188 lbs.) She wins a \$10 Stewarts' gift certificate and the pumpkin. See below how Carly used the pumpkin

What a great night we had in the Village. Hundreds of kids came out to enjoy Trunk or Treating. Children were enjoying themselves as well as their parents. Everyone got a chance to say hello to neighbors and friends -- exactly like a small town should be! We are very grateful to all of the people who purchased treats and decorated their vehicles to make this a special Halloween. Carved pumpkins, decorated Carver dumptrucks, cars, trucks, hay wagons, tractor and even the Sheriff's van all showed up to share in the fun. Also a haunted van, yard, and firehouse, as well as cider and donuts by Schoharie Kiwanis and Schoharie Teachers' Association were well received by all.
